FORMAT 12-Hour National Hackathon	TEAM SIZE 2–3 Members	REGISTRATION ₹950 / Team	PRIZE POOL ₹20,000+	HOSPITALITY Breakfast, Lunch & Snacks
--	--	---	--------------------------------------	--

02 — WHO CAN PARTICIPATE?

Students from any relevant branch or discipline can participate. Multidisciplinary teams are encouraged.

CSE • AI/ML • IT • ECE • EEE • Mechanical • Data Science • Cybersecurity • Others

Note: One participant = One team.

You cannot register with multiple teams.

03 — WHAT CAN YOU BUILD?

Build solutions using any of the following (or combine them):

AI/ML • GenAI • Web • Mobile • Cloud • Cybersecurity • IoT • Hardware • Automation • FinTech • HealthTech • EdTech • Sustainability • Open Innovation

04 — HACKATHON FLOW

CHECK-IN → BRIEFING → IDEATE → BUILD → MENTORING → SUBMIT → DEMO → JUDGING → AWARDS

You have 12 hours to turn your idea into a working prototype.

05 — PROJECT RULES

DO ✓ Build a meaningful solution during the hackathon. ✓ Use open-source libraries, APIs, frameworks & AI tools (unless restricted). ✓ Understand and be able to explain your project. ✓ Clearly acknowledge significant external resources.	DON'T ✗ Submit a completely pre-built project. ✗ Plagiarize or misrepresent someone else's work. ✗ Expose API keys, passwords or private credentials.
--	--

06 — AI USAGE

AI IS ALLOWED — USE IT RESPONSIBLY

You may use AI coding assistants, GenAI tools and other development tools.

"AI should assist your team — not replace your team."

You are responsible for everything you submit and must be able to explain your implementation.

07 — JUDGING

Projects will be evaluated based on:

Innovation • Technical Implementation • Problem & Impact • Functionality • Presentation • Future Potential

Final judging criteria will be announced by the organizers.

08 — PRESENTATION

Keep your pitch simple:

PROBLEM → SOLUTION → TECHNOLOGY → DEMO → IMPACT → FUTURE SCOPE

BUILD AN MVP, NOT AN EMPIRE

A small working solution beats a huge unfinished idea.

09 — CODE OF CONDUCT

Respect other participants, volunteers, mentors, judges, organizers, and the venue & infrastructure.

✗ Cheating ✗ Plagiarism ✗ Harassment	✗ Theft / damage ✗ Unauthorized system access	✗ Attacking networks ✗ Disrupting another team ✗ Submission manipulation
--	--	--

*Serious violations may result in disqualification/removal.***10 — WHAT TO BRING**

College ID • Laptop + Charger • Required Accessories • Hardware (if needed) • Backup Your Files • Dev Environment Ready

11 — YOUR 12-HOUR GAME PLAN

- ✓ 0–1 HR — Understand + Plan
- ✓ 1–3 HR — Setup + Architecture
- ✓ 3–8 HR — Build MVP
- ✓ 8–10 HR — Test + Polish
- ✓ 10–11 HR — Prepare Demo
- ✓ 11–12 HR — Submit + Present

Don't wait until the last minute to submit.**DON'T COME JUST TO COMPETE. COME TO BUILD.**

Build something useful. Learn something new. Meet other builders. Break things. Fix things. And ship something you're proud of.
